1) APK has the right to charge the expenses of postal order to an address abroad.

2) Invoicing according to the actual working time if the fee in the price list does not cover the working time spent. The hourly rate applied is APK's hourly price from time to time.

3) The invoicing values of book-entries are calculated on the situation at the end of the month. Book-entries are valued at the stock exchange price or, if this is not available, at the nominal value. The invoicing periods are December-May and June-November. In the valuation of foreign book-entries, the stock exchange quotation or nominal value of the country of origin of the book-entries is used.

4) A transfer must be paid before making the transfer by remitting the charge to APK's account no. 800014-1597910 (IBAN: FI9180001401597910, BIC: DABAFIHH). A copy of the payment voucher must be attached to the request to execute the transfer.

5) Minimum charge EUR 2.58 per month is charged even when there are no book-entries in the account.

6) APK's custody charge for TeliaSonera's and Elcoteq SE's shares and warrants is the same as for Finnish shares and warrants as long as above mentioned companies pay the maintenance expenses caused by the foreign shares and warrants.

In the event that an invoice is unpaid after the due date, penalty interest will be collected in accordance with the Interest Act. The charge for sending a payment reminder is EUR 5.05. Any remarks presented against the invoice must be made within one month of the due date stated in the invoice.
