Voting Power by Category (Swedish Holders)

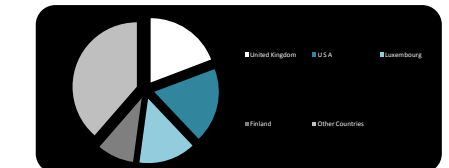

Swedish / Foreign Voting Power

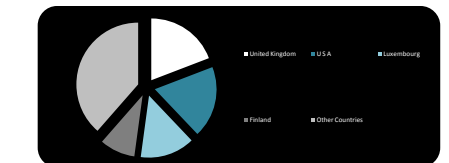

Swedish / Foreign Holdings

Foreign Voting Power (excl. Sweden)

Foreign Holdings (excl. Sweden)

Legal Notice

The information in this report is part of the VPC Analysis product and the information shall be handled and treated in accordance with the General Terms and Conditions for VPC's Internet based Service - including VPC Analys.

Periodic Information

The report displays three periods; the current period (month), the previous period (month) and the last period (month) of the previous calendar year. The current period displays actual values, the values in the previous period(s) displays the change/difference since that specified period.

Indicators

Green Arrow = Indicates that the current period presents a higher result compared to the specified period.
Yellow Arrow = Indicates that the current period's result remains unchanged compared to the specified period.
Red Arrow = Indicates that the current period presents a lower result compared to the specified period.

Short Facts

This container lists a selection of facts for the current period.

Shares by type

The first section provides the number of shares by type and the split (in percent) of capital and votes.

Largest Change

The second section displays the largest change in number of shares that has occurred during the last month.

Flagged Transactions

The third section shows an overview of flagged transactions that has occurred during the last month.

Market Cap

This section presents market cap of the current period, and the change/difference since previous periods.

Shareholder Information

Total Shareholders

This section presents the total number of shareholders in the current period and the change in number of shareholders compared to previous period(s).

New Shareholders

Presents the amount of new shareholders that has been registered since previous period(s).

Ceased Shareholders

Presents the amount of ceased shareholders registered since previous period(s).

Concentration

This section presents the Capital and Voting percentage (of total holdings) that are held by the 10, 20, 50 and 100 largest holders (sorted by vote).

15 Largest Holders

This section presents the 15 largest (aggregated) holders in the current period (sorted by vote). The current period's holdings are compared to previous periods (for that specified holder), however the holder may not have been part of the 15 largest holders in the previous stated periods. If no value (-) is presented in a previous period, this indicates that the holder may not have had shares in your company in that period, or was not found among the 100 largest holders in that period.

Categories

Foreign vs Swedish Owners

This section presents the percentage split between Foreign and Swedish registered owners.

Legal Entities vs Natural Persons

This section is based on Swedish registered owners (excluding foreign owners) presents the percentage split of Legal Entities and Natural Persons.

Voting Power by Category

The pie chart presented on the top right side presents an overview of the voting power (among Swedish holders) split by Legal Entities and Natural Persons.

5 Largest Changes

This section presents the 5 largest changes in number of shares that has occurred since the previous period (all type of shares included).

By Country (Top 5)

This section presents the five countries which holds the highest percentage of holdings and voting power (sorted by voting power). The previous period's display the change in percentage compared to the current period. The pie charts included on the right hand side in the report presents foreign vs domestic (Swedish) holdings/votes.

Shareholder Spread

This section presents the shareholder spread, i.e. the amount/percentage of shareholders that owns a selected range of shares (1-500, 501-1000, 1001-5000, 5001-10000, 10001-15000, 15001-20000 shares or more than 20001 shares). The previous period's presents the difference/change in percentage points, of the ownership in each specified range and relative to that period's total ownership, compared to the current period.
